Typical Timeline

- High School Open Houses (Oct. - Jan.)
 - across the CBE system
- Students Tour Designated Schools (Nov.)
- Guidance Teams Visits Griffith Woods (Jan. - Feb.)
- Course Selection (Feb - March)
- Ongoing conversation - changes can be made

Course Selection Process

- Grade 9 teachers provide academic course selection recommendations on the Course Selection Sheet
 - Students fill out the options and review course selection in consultation with their family
 - We request parent / guardian signature on the course selection form before it is returned to the student's home room teacher
-
- ❖ Plan a program that provides the greatest possible success.

Pathways

-1 Pathway • Must have strong academic skills • Be an independent learner • Requires more critical and analytical abilities • Typically Post-Secondary bound	-2 Pathway • Homework and consistent expectations • More teacher guidance • These courses strengthen your skills and understanding of the course materials • Typically, Post Secondary bound
-3 Pathway (Math Only) • Typically, apprenticeship and Trades bound • Content is practical knowledge • Hands on learning	14 / 24 Pathway (Science Only) • Typically apprenticeship and Trades bound • Content is practical knowledge • Hands on learning

Advanced Placement (AP)

- Opportunity to study a subject in greater depth while preparing students for success at post-secondary institutions
- May gain credit for university courses at the 30 level only
- Area of passion

Recommendations:

- ▶ All 4s or 80%+ in that subject to take AP with a strong interest in the subject.
- ▶ Majority 3s or 65%+ in that subject to take -1 in grade 10
- ▶ 1s/majority 2s or below 65% for -2 in ELA or SS in grade 10

Individualized Program Plan (IPP)

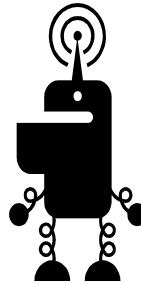

- Homeroom teacher is first point of contact regarding an IPP
- Most accommodations and supports are focused on student growth within the classroom
- Accommodations common at CMHS:
 - extra time on evaluations – in place for ALL students
 - quiet space – classroom is the "quiet space", especially for assessments
 - preferential seating in the classroom based on students' needs
 - ambient noise – pre-loaded MP3 players are available *not bluetooth*
 - trifold on the desk – reduces visual input/distractions
 - earplugs
 - fidgets
 - speech-to-text – for written assessments, completed at the CTC
 - text-to-speech – students using text-to-speech have access to a laptop and headphones in the classroom during assessments
